EDUCATION

Akdeniz University

Economics

2023-Present

Alanya Alaaddin Keykubat University

Accounting

2020-2023

SKILLS

- Python Data Analysis
- Advanced Excel
- SQL Database Querying

LANGUAGES

- English (B2)
- German (A1)

ABOUT ME

I am a 4th-year student at Akdeniz University with a strong passion for data analysis, Python, and machine learning. To continually hone my skills in these fields, I pursue structured training and practice regularly. Leveraging Python libraries such as Pandas, NumPy, Matplotlib, Seaborn, and Scikit-Learn, I perform data cleaning, exploratory data analysis, data visualization, and build baseline machine learning models.

Additionally, I utilize my advanced Excel skills to clean, structure, and report data efficiently. My goal is to apply my knowledge to real-world datasets, solve complex data problems, and consistently learn emerging technologies.

ADDITIONAL TRAINING & CERTIFICATIONS

- Data Analysis with Python Certification
- Fundamental SQL Training
- Advanced Excel Training
- Computer Operation Certification
- Driving License (B, B1, D1)
